Dear Paul

I'd like you to accept my sincere thanks for your companies continued support, advice and help. Since I was introduced to Altrigen Solutions in October 2006 I feel far more confident about our IT hardware, infrastructure and systems.

As a result of working with you and your staff, Chemspec Europe is a stronger business.

Please pass on my sincere thanks to your team, I particularly like their 'can do' attitude and 'lets fix it now' approach to tasks.

Once again Paul, Thanks.

Feel free to use me as a reference, I would highly recommend your company as an IT partner.

Richard Sudall
